In re:

PETROLEUM RECYCLING CORPORATION

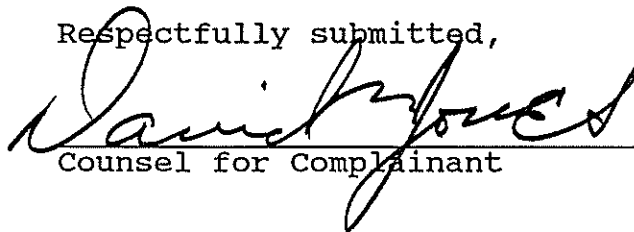

Respondent.

Docket No. TSCA-09-91-0002

STATUS REPORT

Representatives of the parties to this administrative enforcement action have met and exchanged their views. Complainant still believes that this matter will settle. We have received information from NEIC regarding analytic methods to be incorporated in our Consent Agreement and adopted by Respondent. We are currently awaiting Respondent's proposals as to environmentally beneficial expenditures, if any, after which we hope to conclude our negotiations in this matter forthwith.

Respectfully submitted,

Counsel for Complainant
